

K-Love is a very important part of my life. I listen to it everyday. If KLove were to be displaced by an LPFM broadcaster providing other programming, it would effect the local community immensely. Many people are uplifted and get encouragement from this station. It is a very positive and healthy radio station. It is in the public interest to keep KLove because it is a station that parents can let their children listen to and not worry about them hearing something that is not good for them. Please do not replace KLove with other programming!!!!
